LAS VEGAS INSTITUTE  
OF AYURVEDA

*presents*

**AN IN-DEPTH INTRODUCTION AND OVERVIEW  
OF AYURVEDIC, TIBETAN AND CHINESE  
SYSTEMS OF HERBAL MEDICINE**

**Join us July 13-15, for the first of a series of five seminars discussing the fundamentals of these "traditional" systems. Our presenter, Michael Kreuzer, will discuss 25 herbs from these perspectives as well as practices and principles of herbology.**

*Michael Kreuzer, a senior student of DR. VASANT LAD, will teach this exciting and valuable series. Mr. Kreuzer taught Herbal Medicine at THE AYURVEDIC INSTITUTE in Albuquerque, NM and is presently practicing in San Francisco, CA as an Ayurvedic Consultant.*

*Plan to attend all five seminars over the next four months. This series will culminate October 26-27, with DR. PARTAP CHAUHAN, Director of THE JIVA CENTER FOR INCURABLE DISEASES, India, and a specialist in the making of AYURVEDIC medicines. Dr. Partap will share his knowledge of special Ayurvedic preparations used for treatment and management of chronic disease processes.*
